**Tim Kavaklian-D'Annecy 13:00:**

Hey quick question

My learning objectives for my Field Experience include the maintenance plan and the analytics plan

Can I get a crash course on those? I wanna make those this week.

Like, do you have any recommendations or examples of what one of these should look like?

**Katrina Lee 13:49:**

hrm, let me think about it

**Katrina Lee 14:35:**

let's use our meeting time on Monday to plan it out  
it should be fairly straight-forward

**Tim Kavaklian-D'Annecy 14:36:**

Okay! Sounds good to me! :)
