Katrina Lee 9:54:

Hey Tim - my mother is having a heart cath on Thursday. We expect things to go ok, but if there are any problems or if they admit her, I'll be headed out early to be with her.

We might want to reschedule the call on Thursday just in case.

Tim Kavaklian-D'Annecy 9:54:

Oh of course!

I hope she is okay.

I'll email my UNC person and see which days work for her.

Katrina Lee 9:55:

thank you!
