Dear Melanie,

Thanks for agreeing to supervise Tim's field experience! His primary job is information organization, so I know you will find this work interesting. Tim, thanks for your flexibility.

Next steps: Melanie, please print and sign the attached learning contract. You will need to write your name in the space where it says Faculty supervisor on the coverage page and sign it at the bottom. Then, submit it to Lori Haight.

Thanks, Diane!

We'll also need Tim's learning objectives approved by Melanie and his site supervisor to get him registered in the class.

I've signed the forms and put them in Lori's box, so I think everything is as it should be.
